WITNESS Project – Ambassador's Visit and Photo Session

The Margaret Clemons Foundation invited

Ambassador Hardt and Mrs. Hardt with Witness Project Participants

Ambassador Hardt to visit the School of Nations to have his photograph taken by the WITNESS project photographers. The Ambassador was accompanied by Mrs. Saskia Hardt

Through the WITNESS Project, headed by the Margaret Clemons Foundation, 15 Guyanese children between the ages of 10 and 17 have come together to send a message to adults: that children are the most vulnerable and impressionable witnesses to violence. They were given cameras and set out to capture the faces of Guyanese youth, which will be displayed throughout Georgetown in January 2012.

WITNESS Project is a participant in the artist JR's global project to change the world through art called INSIDE OUT.
